I was experiencing pain in my ankles due to which I was struggling to engage in physical exercise. This was when I started physiotherapy with Dr. Manaz and her team comprising Ruchi and Shruti. They are not only fantastic physiotherapists, they are also extremely kind and understanding and did everything to ensure I could continue my routine without any interruptions. Moreover, Dr. Manaz's clinic is one of the best physiotherapy clinics I've ever been to and is equipped with technology that accelerates healing. I felt much better just after a few sessions and would highly recommend Dr. Manaz and her team to anyone that requires physiotherapy. Extremely grateful to Dr. Manaz, Ruchi and Shruti.
